A special thanks to Nottingham Community and Voluntary Service (NCVS) for all their hard work on developing the Rushcliffe Big Green Book and to Carefound Home Care for their sponsorship.

Foreword

What is the Rushcliffe Big Green Book?

The Rushcliffe Big Green Book has been developed as part of the GreenSpace Green Social Prescribing Project and it is a directory of nature-based activities and opportunities around Rushcliffe.

What is Green Social Prescribing?

Green Social Prescribing is the practice of supporting people in engaging in nature-based interventions and activities to improve their mental health.

Who is the Rushcliffe Big Green Book for?

It is designed to be used by social prescribers and healthcare workers who want to find activities for their patients, as well as individuals who are looking for an activity to get involved in.

How is the Rushcliffe Big Green Book organised?

The information is split into North, Central and South Rushcliffe to help people choose an activity that is local and easily accessible to them. The book outlines the facilities available, and details of the level of mental health need that each group is able to support to ensure people are able to access activities that are suitable for their needs.

It is advised that if you are unsure whether an activity could support the level of mental health need or you require further information to contact the provider directly prior to attending any activities.

What are the icons for?

Each entry in the book uses icons to display the facilities available at each location. You can use these to find out if there are toilets available, accessibility needs and more. See the icon key below:

**If an organisation has the Dementia Friendly flower logo, this means that the majority of the volunteers and leaders have attended a Dementia Friends Information Session and feel comfortable supporting people with memory loss.*

GreenSpace Trusted Providers

If an organisation has the GreenSpace Trusted Provider logo, that means they have been through the process of joining the GreenSpace green social prescribing project and have demonstrated that they have all the necessary policies, procedures and insurance in place and have self-assessed the level of need that they are able to support.

The level of support that an organisation is able to provide is identified using Mental Health Levels. These levels are used to make sure you're making an appropriate connection with an activity.

If you are looking for an activity for yourself, please see the Mental Health Levels on page 4.

If you are linking a client to an activity, please see the Refers Mental Health Levels on page 5.

Dementia Friendly

Rushcliffe is committed to working to become a Dementia Friendly community. Our goal is to help residents living with dementia, and their carers, enjoy better, more independent lives for longer.

If an organisation has the Dementia Friendly flower logo, that means they have received 'Dementia Friends' information session.

Dementia Friends is a light touch information awareness session to reduce stigma and spread knowledge about dementia.

If you are interested in arranging a Dementia Friends session please contact jas.mahil@alzheimers.org.uk or dementiafriends@alzheimers.org.uk

To find out more about Rushcliffe working towards becoming a dementia friendly community and how you can get involved, visit the Rushcliffe Dementia Action Network (RDAN) website - www.rdan.org.uk

Carefound Home Care

Carefound Home Care provides personalised home care services to older people across Rushcliffe, with our local branch based in West Bridgford.

We're proud to be one of the few providers rated 'Outstanding' by the Care Quality Commission (CQC). Our services range from flexible hourly care to live-in or respite care, supporting everything from basic help around the home to specialist care for conditions like dementia.

Our carers are carefully selected, fully trained and backed by 24/7 support from our local team. We're also proud to support dementia initiatives in Rushcliffe, including the Dementia Action Network and the Green Memory Café.

We're honoured to contribute to The Big Green Book, a fantastic resource for local healthcare workers, families and individuals, promoting nature-based activities to enhance mental and physical well-being.

Finding an activity for yourself: What do you need to know about the Mental Health Levels?

The Mental Health Levels outlined below have been developed with the GreenSpace Mental Health Lead to enable groups and organisations to identify the level of need that they are able to support. When you are choosing an activity, use the level to help you to work out whether this group has the support in place that will help you. If you consider yourself to have a higher level of need, you may be able to attend an activity with a carer or support worker, please contact the organisation directly to discuss your needs before attending for the first time.

Level Zero: This activity is for you if...

You if you are feeling well
You want to look after your mental and physical health
You want to try a green or nature-based activity

Level One: This activity is for you if...

You are seeing your GP about your mental health or are having some support from a health worker or social prescriber
You feel lonely, you have a low mood and/or lack of motivation/structure/routine
You are experiencing symptoms of anxiety and/or mild depression
Your mood/feelings are having a negative effect on your wellbeing

Level Two: This activity is for you if...

You are currently getting support from your GP and receiving psychological therapies, such as cognitive behavioural therapy (CBT) or counselling
You are taking short term medication and/or under ongoing monitoring, and this support is helping you to manage your mental health.
You feel a 'Green Buddy' would help you to go along to the first couple of sessions and to help you settle in.
You need specific sessions are designed to include more support or have a specific focus on wellbeing
You would benefit from a volunteer to help you or work alongside you during the sessions to help you feel more comfortable and at ease in the group.
You have identified recovery goals with your health care professional that you can work towards during the activity.

Level Three: This activity is for you if...

You have complex needs and need more than one area of support, including specialists and local mental health team.
You need support to take part in sessions. (If you have a support worker then they can attend with you.)
You need a short-term programme of activity or a package tailored to meet your individual needs.
You need support from a team that specialises in working with people who have long-term and/or complex mental ill health.

Level Four: This activity is for you if...

You are experiencing an acute mental health crisis which requires you to receive inpatient or intensive crisis team support

OR

You have a long-term serious mental illness and you need regular care and support

You need an activity in a hospital-based location, such as a hospital community garden or therapy garden.
You need an activity provided by a specialist team that will make sure you get the help and support you need to get the most out of the sessions (this might include doctors and nurses and other people who have expertise in working with people with a range of complex mental health needs, both long-term and acute)

Mental Health Levels explained for Referrers

The Mental Health Levels outlined below have been developed with the GreenSpace Mental Health Lead to enable groups and organisations to identify the level of need that they are able to support. You should refer to these levels when assessing whether an organisation or activity is suitable to meet the needs of the person you are working with

Level Zero: A person who is well and wishes to take steps to safeguard their mental health

This is a person who has taken their own decision to improve their mental health through a green or nature-based activity. They will independently access advice and self-help resources as they need them and manage their own mental wellbeing without the need of additional support.

Level One: A person who is at risk of developing mental ill health

This is a person who is seeing their GP about their mental health or may have some support from a health worker because they are struggling with isolation, low mood and anxiety including social anxiety, mild depression or a lack of motivation, structure or routine which is having a negative impact on their mental wellbeing. They need a low level of support which can be managed by their GP with support from Social Prescribing pathways in the voluntary and community sector.

Level Two: A person with mild mental ill health

This is a person who needs GP support along with access to psychological therapies, such as cognitive behavioral therapy (CBT) or counselling, short term medication and/or ongoing monitoring, and they are able to manage their mental health with this support. They may need a Green Befriender to help them attend the first couple of sessions to settle in. They may need to attend specific sessions, rather than general open sessions and support is available from their Link Worker or mental health practitioner if needed. While engaging in the activity, this person may need support from a volunteer and so training is available for volunteers working in organisations that provide sessions for Level Two patients. Through this supported provision, this person will work towards the recovery goals they have identified with their health care professional and they will begin to feel the benefit to both their short term and long term recovery, with the goal of eventually being in a position to access Level One provision.

Level Three: A person with moderate mental ill health

This is a person who has more complex needs and requires more than one area of support, including specialists and local mental health team support. They may need a lot of help to engage in sessions, possibly from a support worker, and health professionals will track and review their progress as appropriate. Provision may be for a set time period or a specific package and would be delivered by services with dedicated resources and expertise in working with people who have enduring and complex mental ill health, which most community groups would not be able to provide without specialist support. Information and guidance will be provided by the referrer to assist the GreenSpace provider, with ongoing communication between the provider and referrer as needed, and there will be an agreed contact to access in the case of a crisis. This person will have a planned pathway out of Level Three provision, to be agreed between the client and their support team, moving into Level Two provision, with the possibility of reentering Level Three provision if necessary.

Level Four: A person with severe or complex mental ill health

This could be a person who is experiencing an acute mental health crisis which requires them to receive inpatient or intensive crisis team support, or it could be a person who has a long-term serious mental illness which affects how they function and they need regular care and support. This person might access GreenSpace activities within a hospital environment, such as within a hospital-based community garden or therapy garden. Activities would be provided by specialist teams, including medical professionals, who have expertise in working with people with a range of complex mental health needs, both long-term and acute. This person would need an initial visit and assessment of their individual needs prior to starting an activity and there would be continuous support to attend from a carer or health professional and ongoing communication between the referrer and the provider. There will be a planned pathway out of this provision into Level Three provision when this person is ready, which will be agreed between the person themselves and their support team.

If I could offer you a pill with no side effects but incredible health benefits, we'd all be eager to take it daily. The advantages of exercise, even something as simple as walking, are immense. I wholeheartedly encourage you to incorporate more walking into your daily routine - it not only boosts your health but also helps the environment. Why not consider walking to work, or if it's too far, perhaps walk the final mile to your workplace?

– Dr Matthew Jelpke, St George's Medical Practice

Rushcliffe Country Park

Aim: We aim to improve the park, the conservation and recreation.

Activities Available:

Volunteering available

Friends of Rushcliffe Country Park – Weds morning 9.30am – 14.00pm but can drop in and out at the visitors centre.

Rushcliffe Country Park includes a skate park, sensory play area, walking trails, gardens of friendship and an outdoor gym.

Room hire available in the new visitor centre, which has a changing places toilet.

Other activities available for groups such as children holiday activities, den building, pond dipping and outdoor table tennis - please contact the Park Rangers for more information.

Opportunities to socialise: Coffee/tea breaks, tea and biscuits include, need to bring a lunch. The park offers an opportunity to enjoy nature and an onsite café.

Address: Rangers Office, Rushcliffe Country Park, Mere Way, Ruddington, Nottingham. NG11 6JS

Facilities

Transport: Car park open 8am - 6pm. The carpark is £1 for all day parking.

Boots & Brambles

Aim: Our aim at Boots & Brambles Forest School Ltd is to create a natural outdoor space where people can come together as a community to play, explore and create in the natural environment. The woods is a haven, a place of calm, inspiration and wonder. We are big believers in the power of nature and the benefits for everyone's mental and physical health gained by spending time out in nature.

Activities Available: We run a range of Forest School and outdoor sessions including baby and toddler groups, school sessions, SEMH intervention sessions, Holiday Clubs and Family Sessions as well as Outdoor Parties. Recently we have partnered up with the charity Zephyrs, offering sessions to families who have lost a child.

Sessions are very relaxed; offering time for you to immerse yourself in nature, or swing in a hammock! We offer activities such as den building, nature-based arts and crafts, firelighting, campfire cooking and much more.

Opportunities to socialise: Sessions are very relaxed and include hot drinks and usually time around the campfire circle.

Address: Next to the St Peter's Church Centre, Tollerton Lane, NG12 4FT

Facilities

*Woodland site is accessible, but more difficult in wet weather due to muddy ground.

Transport: There is car parking available.

Paradise Allotments Rushcliffe Social Prescribing

Proud winners of 2021 Celebrating Rushcliffe Award for Health & Wellbeing. To access the allotment project, you would need to request a referral to Social Prescribing via your GP Practice (Rushcliffe only).

Aim: To provide a regular opportunity to spend time in nature, to learn or practice gardening skills without pressure. To reduce isolation by meeting like-minded people. Promote healthy and active living. To have the opportunity to be mentored by existing 'allotmenters'. Our ethos is that it is people led with all participants having equal say in what we grow.

Activities Available:

Growing fruit and veg and some flowers

- Planning what we will grow, where we will grow it.
- Harvesting and maintenance.
- Sharing of recipes using our produce.
- Social gatherings.

Our ambition is to invite speakers and specialists to host workshops and talks in relation to nature and healthy living.

During growing months we meet weekly on a Wednesday early afternoon. Cups of tea available.

During the winter we have a short pause and meet fortnightly also on a Wednesday early afternoon.

Adults only. No experience or level of fitness needed. Must be able to be independent with mobility (however our paths are accessible for wheelchair users). Maximum 1 wheelchair user per session.

Address: Paradise Allotments.

Facilities

We do not have access to the toilet on site but we have an agreement with the local pub that we can politely ask to use their loos.

*The group in attendance is forever changing! We would always tell potential group members of the current mix of the group.

Transport:

Bus:

NCT Navy Line 3 to Clifton Savages Road Stop (near Ruddington village hall and the Ruddington arms)

Parking:

On street parking available. Please park with consideration to local residents.

Rushcliffe parkrun & Junior parkrun

Aim: parkrun is a free, fun, and friendly weekly event. Please register before you first come along. You only ever need to register once and don't forget to bring a scannable copy of your barcode to receive your time. Walk, jog, run, volunteer or spectate – it's up to you!

Activities Available:

Adult parkrun: Saturday at 9:00am (5km)

Junior parkrun: Sunday at 9:00am (2km for 4-14yr olds)

Opportunities to socialise: Every week we grab a post parkrun coffee at the 'Coffee and Cake by the Lake' kiosk, adjacent to the Education Centre and car park (weather permitting) – please come and join us!

Facilities

Renew Ruddington: Green Spaces

Aim: An allotment based wellbeing group, offering gentle gardening activities and a quiet outdoor space. This is based around the principles of offering quiet shared spaces where its ok not to be ok. Our heart is to bring an end to isolation and to improve the mental wellbeing of our community.

Activities Available:

Mondays 11-1pm

Each session offers a variety of gentle gardening activities, guided by the hosts, Guests can choose an activity or simply enjoy the sheltered outdoor space and companionship. Flowers, fruit and vegetables are grown together with the aim to harvest and take home, or share with the wider community.

No specific requirements needed, either fitness or knowledge, but the majority of the gardening activities will be physical - all optional though.

Activities are run on the idea of partnering together with the opportunity for shared learning and friendship.

Opportunities to socialise: There is a sheltered communal area for sitting and making a drink and having a chat. This can be accessed freely throughout the session and there is a short structured time when the invitation is given to pause and be still, as part of an optional reflective prayer.

Address: Allotment 7, Hareham Garden Allotments, Musters Road Gate, Ruddington NG11 6HS

Mixed Gender/Cultures

4-8

Facilities

Transport: Easy, free street parking is available. The allotment is a 5 minute walk from the village bus stop on the Green. There are safe places to leave a bike.

Friends Of Meadow Park

Aim: The Friends Of Meadow Park help maintain this 44-acre site for the benefit of nature, and as a recreation space for the local community.

Activities Available:

Conservation Work Parties

We run monthly practical conservation parties on the second Saturday of each month. We meet at the back of the East Leake Parish Council offices at 9.50am and work until around mid-day. Activities typically include bulb planting, hedge laying, tree and scrub maintenance, wildflower seeding and litter picking.

Activities are sensitively orientated to the capabilities of the individuals involved.

The park includes some hardcore paths, but some can be uneven and narrow in places and are therefore not suitable for people with significant mobility issues.

There is also a local walking group (The Meadow Park Strollers) who meet (weather permitting) every Thursday at 1.30pm at the Millstone/Sculpture entrance and walk the park for around 30 minutes, enjoying a chat and some gentle exercise. The group call into one of the village cafes afterwards for refreshments. Contact 07913 328971 for more details.

Opportunities to Socialise: We are a friendly group and like to chat during our Saturday work party. The Meadow Park Strollers offer sociable walks.

Address:

Meadow Park, Gotham Road, East Leake, Nottinghamshire, LE126PF

Mixed Gender/Cultures

5 - 20

Facilities:

Getting Here:

East Leake is on the main bus route between Nottingham and Loughborough and there is free car parking in the centre of the village.

Midlands Nordic Walking

Aim: To help people become more active by Nordic Walking, especially inactive people. We enable people to make friends in a community Nordic Walking group and enjoy a gentle and effective workout at the same time.

Activities Available:

Nordic Walking community groups

We provide workshops for beginners. Any fitness can be catered for. We try to be as inclusive as possible.

There may be some exclusions, e.g. Nordic Walking is not suitable for the majority of wheelchair users. Please contact us to discuss your case.

We offer three sessions a week - one of them in Rushcliffe Country Park - that are aimed at people with long-term health conditions that mean they prefer a slower ambling type of Nordic Walk

Sessions take place at various locations and times throughout the week.

Please visit our website for more information about the times, dates, and locations of our activities. To book, please contact Catherine.

Opportunities to Socialise: Nordic Walkers can talk throughout the whole Nordic Walking session. In fact, the instructor encourages this interaction to help with participants' wellbeing. Some of the groups stay after the session for a drink and a chat.

Address:

Walks take place across various locations in Nottingham, Nottinghamshire, and Derbyshire, including:

Wollaton Hall & Deer Park
University Park
Attenborough Nature Reserve
Bramcote Hills Park
Rushcliffe Country Park

Please see our website for more details.

Facilities:

Transport:

There is parking at all our locations (some are free, some require pay and display). All locations have public transport; the walk from the bus stop varies depending on location.

Keyworth Community Garden

Aim: Keyworth Community Garden is a garden, orchard, and wildflower meadow where local people can be involved in developing a beautiful and sustainable garden for the community to enjoy. Our aim is to provide a green space where people can connect with nature whilst having the opportunity to learn new skills and meet new friends.

We welcome people of all ages and abilities, whether this is visiting occasionally or becoming a regular volunteer working at the garden at our weekly sessions. Working in a safe and relaxed outdoor environment, we are also ideally placed to provide a space for those who may not wish to participate in more formal group activities.

Activities Available:

Tuesdays 10am-12pm, and 2pm-3pm

If you're interested in getting involved, please feel free to get in touch.

Opportunities to socialise: The volunteers and participants will wherever possible be encouraged to participate in team work through a combination of group working and peer support

Address: Accessed by the alleyway between 18 & 20 Croft Road, Keyworth.

Up to 10

Facilities

Transport: Located on the Keyworth Connection bus route. On street parking available.

Keyworth Abundance

Aim: Our aim is to reduce food waste, to distribute and encourage people to buy and use locally produced food. We have a recycling centre. Demonstration of recycling ideas for the garden. Swapping plants and seeds. Our Repair cafe encourages mending and renewing your household items.

Activities Available:

1. Fruit picking in Keyworth.

Volunteers pick fruit from trees for owners who cannot do it themselves. We keep some for the owners and distribute the rest at our base on Saturdays from July to October. There are 2-3 weekly sessions, and all equipment is provided. An experienced member coordinates the activity. Walking to the pick is encouraged, and basic fitness is essential due to lifting crates and using long-handled pickers. Climbing ladders is possible but not required.

2. Keyworth Abundance garden. Rear of the Exchanging Rooms.

This is a great example of how to use recycled material in a small space. Using locally grown plants that have been swapped. It is a space to keep the plants for a monthly plant swap and we have new projects to get involved with as well as regular garden maintenance and a watering rota in the summer.

3. Keyworth Abundance – Allotment Plot 4.

We have a small allotment plot to grow fruit and vegetables primarily to provide produce for the Saturday stall at the ExChanging Rooms. We are redesigning the space with manageable growing beds, planting soft fruit and laying wood chip paths (winter 2023). We meet every Tuesday 1pm-3pm and Thursdays 10am - 12 noon.

Seasonal tasks include - planting, watering, weeding, picking. Special workshop ideas are planned for 2024 e.g. making a no dig bed, upcycling an old chair as a herb planter. Wildlife area is also planned. We have a seating area for socialising during tea breaks.

Opportunities to Socialise: We have a monthly social event called green drinks (first Tuesday of month) at a local pub. We have a harvest supper, summer solstice BBQ and other events throughout the year.

Address: Exchanging Rooms Rectory Field, off Elm Avenue car park, Keyworth

Facilities:

Transport:

We are located in the centre of Keyworth and right next to the large Elm Avenue Car park. There is a regular bus service (Trent Barton - the Keyworth) to Keyworth (nearest stop is the square).

We have secure area for storing bicycles.

Wild Things Keyworth

Aim: We are a not-for-profit community group, passionate about raising awareness of our forgotten wildlife and the local things we can do to help in the green recovery. We want to inspire people to walk, run and cycle more and really notice what is around them. Getting closer to and appreciating nature, is known to have positive health benefits.

Activities Available:

Keyworth Hedgehog Highway

We work as volunteers to drill gaps in fences, walls and gates. This gives passing points to our red listed hedgehogs allowing them to get to the green space they need on their mile a night journeys for food, water and shelter.

We continue to extend the hedgehog highway for their safe passage and have helped other areas in Rushcliffe set up a volunteer 'drilling team' near them. Ideally we need to plant and retain more hedgerow and we continue to try and get that message out.

Could you volunteer with us or lead your own local team with our help?

Park Run Bus

Join us on the Park Run Bus, our free monthly minibus which arrives in time for Rushcliffe parkrun. Benefit from access to an award winning country park for walking, running or nature spotting.

Starting from Keyworth, it's perfect for those without transport or for those wanting to leave the car at home and wishing to benefit from group support. Plus it's wheelchair, pushchair, and dog-friendly.

Email us for pickup times/points/ dates.

Litter Picks for Wildlife

Join us on periodic litter picks to help wildlife and to raise awareness about this long standing harm in the environment.

Projects

We are currently working towards helping red listed swifts. Wild Things Keyworth holds stalls and information points at craft fairs, fetes and open gardens, plus talks to clubs, societies and schools.

We also have a variety of activities online, including competitions. Follow our social media channels for views of nature, blogs and stories.

Opportunities to Socialise: Join us for our Annual Wildlife Quiz usually in Keyworth in March each year. Helpers on the night are also appreciated.

Address:

Our activities to help nature tend to be centred within Keyworth village or wider Rushcliffe. We also have a variety of activities online.

Getting Here:

Transport: Keyworth is accessible by bus from Nottingham.

We are always keen to receive photos, footage and thoughts on wildlife friendly actions and these can be emailed to us or posted directly to the Facebook page.

Hackett Lakes

Aim: The most satisfying fishing experience takes well-stocked waters, a peaceful location and an impressive catch record. At Hackett Lakes, we give you all this and more. Located less than 4 miles from Nottingham, we take you away from the crowds to enjoy perfect fishing on one of our two purpose-built fishing lakes.

Activities Available:

Over ten years old, our beautiful lakes are generously stocked with quality fish. In fact, since the year 2000, we have added over 17,000 carp.

As well as some of the most popular fishing spots in the Nottingham area, we offer convenient parking facilities and even the chance to win some big prizes for your fishing skills.

We welcome all at our lakes, we have fishing pegs that are accessible for disabled

We welcome fishing clubs as well as individuals. So if you're looking for great fishing and excellent amenities, all in an unspoilt setting that's handily close to Nottingham, you'll find everything you're looking for at Hackett Lakes.

Opportunities to socialise:

We welcome fishing clubs, and our friendly baliffs are always on hand to offer advice and a chat.

We give the opportunity to be out in the open air and being surrounded by like minded people with a common interest in fishing quite naturally allows social interactions.

Transport: Parking is available. It is also accessible by foot and bike

Friends of Sharphill Wood

Aim: Our aim is to enhance Sharphill Wood Local Nature Reserve for the benefit of the local community and for flora and fauna.

Activities Available: We run monthly practical conservation work parties, usually on the fourth Sunday of the month. These typically involve tree and hedge planting, path and boundary maintenance, rubbish removal, and other tasks. We carry out nature surveys and also encourage other specialist groups to do so. We maintain and monitor around 25 nest boxes and report on their usage year by year. sharphillwood.org/about-us/

Some tasks are very physical (e.g. sawing, chopping, scything, lifting) and require a certain level of fitness and strength. Other tasks, such as planting of saplings, surveys, and helping with nest box inspections, are less so. Priorities, and therefore tasks, vary from month to month.

Unfortunately there is no access to the site for wheelchair users. The paths are not man-made, so can be very bumpy and muddy and difficult for anyone with mobility problems. Access to both the north and south entrances is an uphill climb, especially from the northern (most used as there is street parking) entrance.

Opportunities to socialise: Our Sunday work parties last all morning and we always take a short break for coffee, which volunteers bring themselves. We have a social evening in a pub in December.

Address: Entrance to the wood is accessed from the southern end of Peveril Drive, West Bridgford

St Paul's Church 'No Boundaries' Community Garden

Aim: Our developing 'No Boundaries' Community Garden is next to the church grounds and is for growing edibles used in the café and creating a space for everyone to enjoy.

Activities available:

'No Boundaries' is open for anyone to visit and see how the crops are growing, and we use the fresh produce for our social eating projects and café.

Gardening drop-in session on Fridays, 2-4pm April to September (with refreshments in the café at 3.30pm). No need to book, just come along.

Social Supermarket every Monday 10.30am-12pm: Redistributing surplus food to reduce waste.

Please see our Facebook page for opening times and events.

Opportunities to socialise: The Church has a community café, Café on the Corner, this is a welcoming and inclusive space. We are here for anyone who wants to 'take a moment' for themselves or with friends.

Address: St Paul's Church, Boundary Road, West Bridgford

Greenies Allotment

Aim: Lady Bay 'Greenies' is a local community of gardeners. The Community Allotment available for all residents of Rushcliffe preventing and alleviating mental and physical ill-health.

No previous experience of gardening is necessary since there are experienced gardeners within the group who can guide you.

There are no joining fees or subscriptions.

Sunday afternoons and occasionally during the week. Members can work on the field at anytime though.

Activities Available:

Gardening for your wellbeing.

Growing fruit and vegetables organically on a large field that is part of the old Simkins farm in Lady Bay.

As well as digging, sowing, weeding and cropping, we make compost bins, mend fruit cages and cut back overhanging trees.

Opportunities to socialise: We also have social events such as a sweetcorn BBQ at the field and other seasonal gatherings. If you want to find out more about us or just to have a guided tour of the field, please get in touch with John.

Friends of The Hook Nature Reserve

Aim: Friends of The Hook help to look after this Local Nature Reserve by protecting, maintaining and enhancing it for the local community and for flora and fauna.

Activities Available:

Work parties: We have a monthly working party on the first Sunday of the month, meeting 2pm at the Mona Road entrance of The Hook (junction of Holme Rd and Mona Rd).

Activities vary according to the time of year but include: tree planting, seed sowing, caring for the Community Orchard, watering trees and plants, looking after the wildlife pond..

Education Activities: We also run activities such as a Moth Watch, Bird Walk, Wildflower Trail.

Activities are posted on our Facebook page.

Activities would be suitable for hearing impaired people. However, the uneven paths and difficult terrain make it unsuitable for wheelchair users or those with restricted mobility.

Opportunities to Socialise: The working parties are friendly and welcoming, but we do not have social gatherings.

Address:

Wild and Wonder

Aim: The aim of Wild and Wonder is to encourage more people in the community to connect to nature to improve health and wellbeing.

We focus on encouraging engagement from demographics who are more likely to be experiencing social isolation and loneliness, perhaps due to physical or mental health difficulties or age-related barriers.

Through engaging in nature-based mindfulness and craft activities in groups, participants are also able to meet and chat to new people in a gentle, open social environment.

Activities Available:

Nature-based Wellbeing Session:

These sessions usually involve Forest Bathing and Nature Crafts open to the general public once a month.

Sessions usually take place on Sunday at 1pm for 90 mins - 2.5 hours, depending on the individual session.

Information for each event will be updated on my Facebook page with all timing, date and sign-up details.

Also available to run sessions throughout the week with specific groups upon request.

All sessions are open to everyone: there is no prerequisite of knowledge needed. The sessions involve a mix of sitting, laying and slow walking, and all elements take place

Accessibility - the site is located 650m from meeting point / car park, along flat terrain, which includes gravel, short grass and woodland. within a small area and are entirely optional.

Forest Bathing involves sensory cues, so some elements may exclude those with hearing/sight issues - if I am aware that this affects a member of the group, I will adapt the session to exclude those elements.

We also run other sessions too including: nature crafts, family / kids sessions (family friendly) and identification walks.

Opportunities to socialise: At the end of every session, we will share a cup of tea together and chat about our experiences. The Forest Bathing itself is performed predominantly in silence, however the nature crafts elements are a fantastic opportunity to learn something new / get creative whilst also chatting to other participants. All sharing with the group is optional of course.

Facilities

Transport:

Parking is £1.50 for 3 hours or £3 all day. Rushcliffe Country Park is also accessible by bus.

West Bridgford Canal Preservation Group (WeBCan)

Aim: WeBCan is a community group which has been established following the public meetings which were attended by hundreds of local residents after the drying out of the Lady Bay and part of the Gamston sections of the canal during the drought in summer 2023.

WeBCan's management committee comprises three local councillors and representatives from the Gamston & Holme Pierrepont Parish Council, and the community associations of Abbey Park, Lady Bay, and Central West Bridgford.

Our aim is to try to reduce the dominance of reeds in the Lady Bay and Gamston stretches of the Canal which blocks the flow of water.

Activities Available:

Work Parties

The work parties typically take place on Wednesday and Sunday evenings (6pm -7pm during the summer, or earlier during other times of the year).

Our activities mainly comprise a series of reed-pulling on the Grantham Canal in Lady Bay and Gamston. No prior knowledge is required. There are jobs available for all, irrespective of physical ability.

However, participants need to be confident around water, and willing to attend a First Aid Course if this is deemed necessary.

Opportunities to socialise: The sessions usually only last an hour. However, we always work in groups and non-canal conversation is constant. We have approximately 4 social occasions per year.

Address:
The Lady Bay and Gamston sections of the Grantham Canal
(NG2 5DG to NG2 6NA = adjacent roads to the section of the canal)

Radcliffe Community Garden

Aim: To engage our local community in the whole 'soil to plate' experience, whilst meeting new friends and having fun. No gardening experience is necessary and all tools are provided. We want to spread the word about the satisfaction of 'growing your own', and in particular for those who don't have their own garden space, or who want to learn what they can do in their own garden. A key aim is to be a friendly group for those who may be socially isolated and/or want to meet new people.

Activities Available:

We encourage a co-operative approach to growing, where everyone's ideas are shared and the skills and experience they bring are valued. Volunteers will learn and share skills and make new friends as we sow, plant, maintain, harvest and get to taste some of the produce we grow. What's more we hope volunteers will feel a great sense of achievement knowing that we're providing great fresh food for the benefit of village residents who look forward to the wonderful Sunday lunches provided by Radcooks volunteers.

Tuesday mornings from 9:30-11:30 and the first and third Saturdays of the month (9.30-12.30)

FarmEco

Address: Home Farm, Lodge Lane, Screveton, Nottingham NG13 8JL

Aim: We are a community farm in rural Nottinghamshire aimed at reconnecting people to the land and environment. Our ambition is to be a hub for our community providing a safe, supportive and inclusive place where people can experience the health and wellbeing benefits of nature and growing together.

Activities Available:

Nature Care Course - A 6 week self care programme in a small supportive group where we'll be taking part in nature-based activities, mindfulness practice and personal development.

Creative Nature Walks for Wellbeing - Connect with nature, take a gentle walk and enjoy nature-based art activities.

Volunteer days - Join our friendly volunteering group who get involved in the many tasks needed to look after nature and the farm. There is something for everyone whatever your experience or ability.

Other projects include **Men in Sheds** and **Women in Sheds**.

See website for more details and dates.

Opportunities to socialise: Sessions allow for socializing during activities and, where possible, end with a cup of tea and a chat.

@cotgravecommunitygarden

Facilities

*We do not have access to the toilet on site but we have an agreement with the leisure centre across the road who are happy for gardeners to use their facilities.

Transport: There is a bus stop just outside the garden and a large car park with disabled spaces.

Aim: We are a community food and cut flower garden. Our aim is to support and encourage a healthy community through reconnecting to nature and the food we eat.

We hope to encourage improved physical and mental health by using food growing and gardening as a purposeful activity, resulting in fresh seasonal food for the community.

We also aim to increase biodiversity and raise awareness of environmental and wildlife conservation.

Activities Available: We have general volunteer gardening session - we work on the garden, sowing, harvesting, watering, picking flowers and arranging, weeding.

Open days, volunteer sessions, events and workshops are available on our social media. No experience or level of fitness needed.

We have a wheelchair ramp into the garden and our paths are woodchip and are 2m wide. So far they haven't proved a problem for wheelchair users and pushchairs.

We have various heights of raised beds with wide paths between each raised bed to provide space. We also have work benches of various heights in the polytunnel, with a double door entrance. We have a long path from the car park to the garden which can be off-putting.

Opportunities to socialise: You can join us to garden and harvest food, or bring a picnic and enjoy the surroundings.

Wilwell Farm Cutting Nature Reserve

Aim: To manage the Wilwell Farm Cutting Nature Reserve for the benefit of the local community on behalf of Notts Wildlife Trust.

Activities Available:

Helping at the monthly Reserve Work Parties.
Other practical activities will vary depending on the time of the year. Paths are narrow and uneven for stretches. It is also steep at one point and the work parties often operate on uneven terrain/wooded/marshy areas therefore is not suitable for someone with significant mobility issues. Lesser issues may be possible so please contact for further information. Please contact for more information on available activities and accessibility.

Opportunities to socialise:

Work parties normally include a break and we suggest bringing a drink and bite to eat. Sometimes the work is spread out or we might be working together. Occasionally someone will spot something of interest and we will come for a look. Once a year we usually do a "management walk" in the spring summer so volunteers can look at the reserve during the growing season and see why they do what they do. We also run guided wildlife walks round the reserve occasionally. We also keep in touch with regulars via email about the reserve and things that have been seen.

Address: Entrance track on the B680 between Ruddington & Wilford just before the ring road bridge. Post Code for approx location is NG2 7UT

There is parking and limited public transport to nearby the No 3 bus (Nottingham City Transport)

Grantham Canal Society

Aim: Within the Grantham Canal Society a number of teams are actively working to bring the canal back to active life.

Activities Available:

Workparty: grass cutting, painting, bricklaying, mechanical engineering, tidying, marquee/gazebo erecting & more, this often involves travelling along the canal in their 1934 vintage narrowboat.

Major Projects Team: Lock restoration/rebuilding plus other projects such as slipway building

The Learning Team: reach out to schools and community groups, mainly along the canal corridor.

Skipper / Boat Crew: Crew the trip boat 'The Three Shires' Learn how to safely operate the boat or serve up the refreshments to the trippers.

Publicity Community & Events: Publicity takes on many forms, from writing and sending out press releases, feature writing, radio interviews, talks & presentations, social media, website updates, organising events – to attending shows with the society's Information Stand. Don't worry if you feel you don't have the knowledge to engage with the public at shows – none of us did when we started – we won't leave you alone with the stand!

Friends of Bingham Linear Park

Aim: To maintain and enhance the biodiversity of the local nature reserve and to look after it for the users of the park.

Activities Available:

In the period Oct-March we carry out conservation work party activities such as scrub clearance, tree thinning, path clearing etc.

In the period April - Sept we monitor the wildlife especially birds and butterflies. There are regular activities planned, usually on 3rd Sunday of each month. We also have volunteering opportunities for Duke of Edinburgh students. Children need to be accompanied by a responsible adult. Details of activities are published on Facebook.

Opportunities to socialise: We love to chat as we walk and work. We have an annual meal out and meet monthly to discuss activities.

Cropwell Community Garden Club

Aim:

A place to grow local food and flowers, support wildlife, and learn from each other. Using agroecology to build a healthy garden and work towards creating a better local food system.

Activities Available:

Growing and caring for vegetables, fruits, herbs, flowers, and the garden space. Gentle activities include watering, seed sowing and saving, planting, harvesting, garden art and crafts. Activities vary seasonally and require no gardening knowledge. We learn and grow together. All are welcome to enjoy rest in the garden and have a cup of herbal tea.

Weekend dates, open days, and workshop events are published on our website and social media.

Accessibility:

The garden has woodchipped paths. Wheelchair-accessible paths, a wheelchair-accessible table and raised bed. We can accommodate 1-2 wheelchair users per session. Toilets, including a wheelchair-accessible toilet, are located next door at The Plough Inn.

Opportunities to socialise: We always stop for tea.

Address: The Plough Inn, Main St, Cropwell Butler, NG12 3AB (entrance through pub car park)

1-10

Facilities

Getting Here:

Accessible by foot and bike, including from Cropwell Bishop and Tithby.

By car, there is a large car park at The Plough.

Cropwell Butler is located on the 833 bus route from Bingham and 747 from Radcliffe on Trent, bus stops are outside The Plough Inn.

Friends of Cotgrave Country Park

Aim:

The Friends of Cotgrave Country Park are a registered Charity Group made up entirely of local volunteers who help maintain, protect and develop the park environment for the public and the wildlife that lives within it. The park is owned and managed by Nottinghamshire County Council, and the Friends Group work alongside the council. Anyone is welcome to join the Friends Group, and there are a variety of ways in which you can get involved.

Activities Available:

- Carrying out essential maintenance and conservation tasks in the park every month throughout the whole year. Dates are published on our Website and on FaceBook. Tasks can be tailored to suit age and ability. No prior training is required, and all tools and equipment are provided.
- Organising events in the park such as Family Fun days, conservation surveys, litter picks and tree planting or hedge laying. Come and have a go at something new in our beautiful wild park
- Putting on a selection of educational and fun guided nature walks, for all the family, such as; fungi, wildflowers and butterflies, morning bird song, bat walks, tree studies. You are welcome to join in.

Children must be accompanied by a parent or guardian.

Many members of the Friends Group are also volunteer wardens or often attend task days.

Look on our website or Facebook page for more details. If you'd like to get involved in helping improve the park then we would love to hear from you - everyone is welcome! To find out more about the ways you can help or join us, please contact our secretary

Opportunities to Socialise:

We have a group get together on alternate months, on the last Tuesday of the month, at 7pm in the Cotgrave Methodist Church Hall. We have a cup of tea and cake and chat about all things to do with the park. Sometimes we may have speakers on topics of nature and conservation, or other local groups may join us to share their plans and request volunteering support.

We have an annual meal out just after Christmas.

We are planning more social activities all the time such as picnics in the park.

Even working together in the park to maintain the paths and accessways is a team effort and a social activity as we are a friendly bunch and will always stop for tea and biscuits and have a chat.

Facilities:

Getting Here:

The Trent Barton "Cotgrave" service from Nottingham or West Bridgford has a stop for the country park at Morkinshire Lane. Leave the bus to the left and take the next right turn into Mill Lane and follow signs to the park.

Alternatively, the Nottsbus ECOconnect 33 service has a stop at the corner of Harvest Drive and Yew Tree Road, which is only 2 minute walk from the country park. This bus can be taken from Nottingham, West Bridgford or Gamston. In the opposite direction, the bus starts in Radcliffe-on-Trent and calls at Upper Saxondale, Cropwell Butler and Cropwell Bishop before reaching Cotgrave.

There are also 2 free car parks, the main one on Hollygate Lane (NG123HE) and a smaller one, Canal Car Park, at the other end of the park on Main Road (NG123HB)

Trent Bridge Community Trust

(TBCT is the charity of Nottinghamshire County Cricket Club)

Aim: Trent Bridge Community Trust Overarching aim 'Our mission, quite simply, is to provide a sporting chance to disadvantaged people in Nottinghamshire.'

We believe in providing inclusive opportunities where everyone feels valued, respected and empowered.

Notts in Mind (Women only) :

This is our women's group, supporting those at risk of or currently facing social isolation for any reason.

We use sport and physical activity to:

- Increase self-esteem
- Build confidence
- Improve fitness levels
- Meet new people

We provide:

- Safe and supportive environments
- Mental health and wellbeing support
- Inclusive social and sporting activities
- A cuppa, chat and a biscuit or two!

Sessions involve a mixture of mental wellbeing activities, workshops and support in combination with physical wellbeing activities, ranging from dancing, circuit training, guided gym work, seated and adaptive exercise, aqua aerobic sessions, yoga and mindfulness activities.

Tuesday 1:30-3 The Lenton Centre

Thursday 10:30-12 Cotgrave Leisure Centre

Forget Me Notts

Free sport and social sessions for people living with dementia and their carers.

Forget Me Notts is Trent Bridge Community Trust's Dementia-based project. These weekly sessions, of between 40 and 70 people, provide the opportunity for social and sporting activities for those living with dementia and their carers, working to reduce social isolation, encourage physical activity and provide support to those directly and indirectly affected by dementia.

A typical session involves a mixture of social activities like bingo, a weekly quiz and chat, sporting activities including golf, indoor bowls, indoor curling, dance based exercise, and chair exercise, as well as the opportunity to connect with individuals in a similar situation and professionals in the field of dementia. View the latest Forget Me Notts calendar.

Opportunities to socialise: Sessions are part exercise, part socialising and part guided support with guest speakers from external organisations. Refreshments always available with the "Trent Bridge Café Session" featuring a small buffet lunch. Sessions Every Tuesday 10:30-12 across three key venues: Rushcliffe Arena, Edwalton Golf Club and Trent Bridge Cricket Ground

Address: Rushcliffe Arena, NG2 7HY

Nottinghamshire Wildlife Trust South Notts Local Group (SNLG)

Aim: South Notts Local Group (SNLG) is Nottinghamshire Wildlife Trust's members' group in Rushcliffe working to promote nature conservation.

Activities Available:

Winter Wildlife Talks Programme: Zoom-based talk each month from October to March inclusive. Talks start at 7pm until 9pm.

Out and About Programme: Regular guided walks throughout the year, but mostly in Spring and Summer, at various sites across Rushcliffe led by one or more local expert(s).

Work Parties: Regular parties, led by a site warden or similar, work at local nature reserves to maintain and sustain the sites. Parties meet on a regular basis, generally monthly throughout the year.

Activities are open to all, subject to children being accompanied by a responsible adult, and wheelchair users and those with hearing/sight issues being accompanied by an adult familiar with their condition (where appropriate) and subject to a positive health and safety risk assessment.

Please contact for more information on available activities and accessibility.

Opportunities to socialise: SNLG does occasionally organize a quiz to which all are welcome

Rushcliffe Move and Mingle Wellbeing Walks

Aim: Rushcliffe Move & Mingle Wellbeing Walks offer free, safe and sociable walks with trained leaders to improve your health and wellbeing – supporting you to get active and stay active. Walks last from 30 to 90 minutes to suit your ability and level of fitness. We offer walks in 5 Rushcliffe locations each week: Lady Bay, Rushcliffe Country Park, Radcliffe on Trent, East Leake and Cotgrave Country Park.

No need to book: if coming for the first time please arrive 10 minutes early to complete a short registration form. No dogs please, except Assistance Dogs.

Activities available:

Tuesday 11.00am Poppy & Pint pub off Pierrepont Road, Lady Bay, West Bridgford. Walks of about 90 minutes along the River Trent and round Holme Pierrepont. Options to turn back for shorter walks. Meet on the pub car park by the tennis courts.

Wednesday 10.30am Rushcliffe Country Park, Ruddington. Meet on the path by the lake about 50 metres to the left of the visitor centre. Choice of walk to suit your fitness and ability level, from 30 mins walk around the lake to a longer walk of about an hour.

Thursday 10.30am Radcliffe-on-Trent, meet in front of Grange Hall, Vicarage Lane. A friendly group led by Radcliffe locals. All abilities welcome to join us. Village walks to suit your fitness level from 30 minutes to up to an hour.

Thursday 1:30pm Meadow Park, East Leake. Meet by the Millstone Sculpture at the south access point to the park next to the playing fields. Join us for 30 minutes of fresh air, a chat and some gentle exercise on paths in the park.

Friday 2.00pm Cotgrave, meet by Rose & Crown Pub, Main Road. Meet by the pub car park to walk for about an hour around Cotgrave Country Park. Options to turn back for shorter walks.

Opportunities to socialise: People socialise during the walks. There may be the opportunity for people to stay for a drink/food after the walk, depending on location.

Rushcliffe Ramblers

Aim: We are the local Rushcliffe Ramblers group, part of the national ramblers and the Notts Area group.

We open the way for everyone in our local community to enjoy the pleasures of walking.

Activities Available:

Guided Walks

We organise guided walks of varying lengths mostly in the countryside, every Sunday and sometimes midweek

Our guided walks are usually of between 5 to 12 miles.

Everyone is very welcome to join us on our walks and is assured of a warm welcome. It is advised participants need to be able to walk the distance advertised.

Opportunities to Socialise: We are a very friendly group: midweek walks are often followed by an optional pub lunch; we organise social events such as croquet and evening talks; and twice a year we go away for a walking weekend holiday.

Address: Walks in Nottinghamshire, Leicestershire and Derbyshire, usually within an hour's drive of West Bridgford.

Canal and River Trust – Waterways and Wellbeing Programme

Aim: To help people to become healthier, happier and support their mental and physical health by engaging in activities on or around the waterways.

Activities Available:

There are many fun and interesting things to do along our canals and rivers, such as Canoeing, Stand Up Paddle Boarding and Narrowboat Experiences. We also offer guided cycling and walks, arts & crafts, planting, growing, foraging. Activities depend on the time of the year. Please visit our website for more information.

All referrals are looked at by a Community Wellbeing Coordinator and call made to have a chat before joining activity. We encourage people to come and have a look at the activity and meet the instructors and staff beforehand if possible.

No specific level of fitness required; however people will be assessed on an individual basis for paddle activities.

Opportunities to socialise: There is usually the opportunity to have a warm drink and a chat after the activities at a local café or other venue, depending on where the session takes place.

Address: 11-13 Hockley, Nottingham NG1 1FH

parkrun

Aim: parkruns are free, weekly, community events all around the world. You don't have to take part in the run you can volunteer to do the timings, be the last person in, help with the admin, cheer people on and much more. Saturday morning events are 5k and take place in parks and open spaces. On Sunday mornings, there are 2k junior parkruns for children aged four to 14.

parkrun is a positive, welcoming and inclusive experience where there is no time limit and no one finishes last. Everyone is welcome to come along, whether you walk, jog, run, volunteer or spectate.

Registration is completely free and only needs to be done once, whether you intend to walk, jog, run, or volunteer or do a combination of all these things!

Simply complete the registration form here: <https://www.parkrun.org.uk/register>, print your barcode or save it to your phone and head down to your local event.

aebal Leisure

Aim: Our aim is to help make the mainstream community a more inclusive and open minded place. We strongly believe that access to nature and wildlife is hugely important for good mental health!

Our support is aimed towards adults with mental health conditions, autism and learning disabilities so a home visit and informal assessment is required to join our activities

You can visit our website to complete an online referral form:
www.aebal-leisure.com/contact-us

Activities Available:

We provide support for "adults at risk" so all our clients need to be registered with the service so we can complete all the necessary support plans and safeguarding paperwork. Generally each person is assigned weekly support hours with us and then they can use those hours to access a broad amount of activities including lots of outdoor nature based activities and animal and wildlife sessions.

These include:

Friday morning nature walks and bird spotting. We run 2 separate groups and frequent different country parks and green spaces each week.

Tuesday mornings we visit historical buildings such as Newstead Abbey, Beauvale Priory in Morgreen, Newark Castle.

Monday mornings and Wednesday afternoons we visit various farm parks and animal sanctuaries. This includes Pet a Pony therapy in Cotgrave, Tropical Birdland in Desford, Lanes farm Breaston, Floralslands Lambley and many more venues.

On Saturdays we run roadtrip where we venture further afield to places such as the Peak District, Yorkshire Sculpture Park, coastal trips and donkey sanctuaries to name a few!

Read about our service mission: www.aebal-leisure.com/Missionstatement

Address:
aebal Leisure, 14 Henson Lane,
Radcliffe on Trent, Nottingham,

Facilities

Transport:

We provide car transport to and from all our activity venues. Wheelchair users are welcome however we can only provide transport for collapsible wheel chairs. Our clients are also able to meet at the various venues if they prefer and are capable of doing so.

Opportunities to socialise: There is usually the opportunity to have a warm drink and a chat after the activities at a local café or other venue, depending on where the session takes place.

Explore Rushcliffe's Green Spaces

Within Rushcliffe, there lies a wealth of green spaces, nature reserves and parks waiting to be explored and enjoyed by all.

Whether you're a seasoned hiker or simply looking to take a leisurely stroll, our local parks offer a range of pathways to suit every pace and preference.

In the following pages, you will find out more about the collection of green spaces scattered throughout Rushcliffe, along with walks nestled within Rushcliffe Country Park, Cotgrave Country Park and Holme Pierrepont offering opportunities to connect with nature and enjoy the great outdoors.

If you're interested in green spaces in Rushcliffe or would like to see more included in the book on your local area, we'd love your input for future editions of the Rushcliffe Big Green Book. Let's work together to showcase even more of our wonderful outdoor spaces. Get in touch to contribute at rushcliffebiggreenbook@gmail.com

Check out these recommended apps, designed to help you explore local walking trails with ease:

App	Description
AllTrails	AllTrails allows you to search for nearby walks, view trail maps, and read reviews from fellow hikers.
Walking App by Walking Britain	Provides access to thousands of walking routes across the UK, including detailed descriptions, photos, and interactive maps.
GoJauntly	GoJauntly offers a range of curated walks created by locals, along with features like route sharing and nature spotter tools.
Slowways	Slowways focuses on creating a network of walking routes that connect towns and cities, allowing walkers to explore the countryside at a leisurely pace.
GreenSpace NG	Explore green spaces around Nottinghamshire and find out more about different locations with interesting facts and photos. Add your own facts and photos to help the collection of green spaces to grow.

These apps offer a wealth of resources to help you discover and enjoy the beauty of walking in Rushcliffe and beyond. Download one today and start planning your next outdoor adventure!

	- Distance – 5.8 km - Duration – Approximately 1.5hr - 2hr - Difficulty - Considered a moderate walk. Includes two small hills and a moderate flight of steps.

Rushcliffe 100

Aim: The Rushcliffe 100 is a circular walk, 100km long around the Borough of Rushcliffe.

This walk explores the Wolds, following the Rivers Soar and Trent, and crossing the Vale of Belvoir. It passes through farmland, woodlands, and villages, including some high points. The route mainly uses public paths and bridleways, with minimal road sections.

Challenge: The Rushcliffe 100 can be a great challenge and opportunity to explore beautiful scenery of Rushcliffe.

While it's a circular walk with no fixed start or finish, it's divided into six sections. These routes are given as a guide only. To walk any part of the 100km will require the use of your own map, and a degree of planning and map reading skill.

More: To find the six sections, guides and tips on completing the challenge, and more information [click here](#) or scan the QR code.

The Countryside Code

Aim: The Countryside Code is a set of guidelines for responsible behaviour in rural areas. It promotes respect for others, protection of the environment, and the enjoyment of outdoor spaces. By following the code, we preserve nature, show consideration, and create memorable experiences.

Respect everyone

- Be considerate to those living in, working in and enjoying the countryside
- Leave gates and property as you find them
- Do not block access to gateways or driveways when parking
- Be nice, say hello, share the space
- Follow local signs and keep to marked paths unless wider access is available

Protect the environment

- Take your litter home – leave no trace of your visit
- Take care with BBQs and do not light fires
- Always keep dogs under control and in sight
- Dog poo – bag it and bin it – any public waste bin will do
- Care for nature – do not cause damage or disturbance

Enjoy the outdoors

- Check your route and local conditions
- Plan your adventure – know what to expect and what you can do
- Enjoy your visit, have fun, make a memory

Nottingham Greenground including Rushcliffe

Explore a greener Nottingham from your doorstep and learn and grow in our green spaces.

Make time to connect with nature and people in new ways, improve your mood and your health by keeping active in our parks and gardens, on our canals and rivers or visit our nature reserves and woodlands.

Follow the links and create your own outdoor adventure or find a hidden oasis. There really is a place for everyone in nature.
